

# I Spy a Rhyme

**Mom:** Let's play a game called *I Spy a Rhyme*. I'm going to spy something, give you a word it rhymes with, and then you have to find it. Do you remember rhyming words? Like, you/blue; cat/hat; face/grace. Ready to play? I spy something that rhymes with hose.

**Little:** nose

**Mom:** Great! I spy something that rhymes with sand.

**Little:** hand

**Mom:** Good job! Now it's your turn to spy something and give me a word it rhymes with.

*Continue taking turns. Help your little one the first few times as they need it. You can give them ideas like bee/knee; dear/ear. I'm giving ideas that I know you'll be able to spy, but use your environment- free/tree; far/car; etc.*
