

High Frequency Words

Mom: Let's learn to read some words. These are called High Frequency Words. We see them a lot in the books we read. This first word is and. A-N-D, and. Can you read the word, spell it, and then read it again?

Little: and, A-N-D, and

Mom: Great job! I'm going to read this book. When you see 'and' I want you to read it with me. Let's read.

As you read be sure to use your finger to follow along with the words. When you get to the word 'and', have your little one join in and read it with you.
